Tips for locating an article:

- * Access NC LIVE: www.nclive.org
- * Click on magazines and journals on the left
- * Select the appropriate database
- *(Use Academic Search Premier for general searching)

Once you have accessed the database, type in your key words in the search box. For example, *recycling plastic.*

Remember to limit to full –text.

On the next screen, you will see a list of many full-text articles. Select the one you want and click on **html** or **PDF** to see the entire contents of the article.

Look for the icon to **save or print**.

There are also options for citing the article – a very useful tool for a research paper.
