LONG-RANGE GOALS

Provide a comprehensive education program focused on student learning and excellence in teaching.

Maintain a positive learning environment for a diverse population.

Provide support services which enhance and encourage the potential for personal and educational growth.

Offer opportunities for adults to master basic skills.

Promote the development of work force training and retraining.

Offer services to business and industry designed to enhance economic development.

Develop opportunities and services to enrich the quality of community life.

Seek and develop additional resources necessary to achieve the goals and objectives of the College.

Utilize current technology in instructional and support areas.

Improve the services of the College through a continuous evaluation and revision of goals and objectives, instruction, programs, and administrative organization.

Partner with educational institutions and workplace training organizations creating continuous learning opportunities for students.

Practice sustainable, environmentally-aware, approach in all campus operations.
