

UNC-SYSTEM MINIMUM ENTRANCE REQUIREMENTS FOR UNDERGRADUATE ADMISSIONS

For Applicants Who Graduated from High School during Academic Year 2005-06 or Beyond

Six course units in **language**, including

- four units in **English** emphasizing grammar, composition, and literature, and
- two units of a **language other than English**.

Four course units of **mathematics**, in any of the following combinations:

- algebra I and II, geometry, and one unit beyond algebra II,
- algebra I and II, and two units beyond algebra II, or
- integrated math I, II, and III, and one unit beyond integrated math III.

(The fourth unit of math affects applicants to all institutions except the North Carolina School of the Arts.) It is recommended that prospective students take a mathematics course unit in the twelfth grade.

Three course units in **science**, including

- at least one unit in a life or **biological science** (for example, biology),
- at least one unit in **physical science** (for example, physical science, chemistry, physics), and
- at least one **laboratory course**.

Two course units in **social studies**, including one unit in **U.S. history**, but an applicant who does not have the unit in U.S. history may be admitted on the condition that at least three semester hours in that subject will be passed by the end of the sophomore year.

Articulation with Graduation Requirements in the North Carolina Public High Schools

Following the board's change in minimum course requirements, the North Carolina State Board of Education revised the requirements for high school graduation by offering four courses of study: (1) career; (2) college tech prep; (3) college prep; and (4) occupational. These requirements are summarized below. Option 3 tracks the UNC minimum course requirements closely.
