

Policy 1.01

Policy Making Authority by the Board of Trustees Policy

This Prime Policy applies to the development, revision, and deletion of policies and administrative procedures for the College.

A College Board of Trustees board policy is a statement officially adopted by the Board of Trustees at a public meeting that defines general goals and acceptable practices for the operation of the College. Board policies create frameworks for:

- defining acceptable practices;
- establishing educational and other expectations;
- guiding the actions of those to whom the Board delegates authority and responsibility;
- ensuring compliance with state and federal law, as well as accreditation guidelines.
