Naming Policy

Beaufort County Community College (the “College”) finds it beneficial to seek private funds to help meet its stated mission and objectives. The College encourages all College constituency groups to promote philanthropic endeavors for the benefit of the College. In order to accomplish this goal, the College endeavors to provide appropriate recognition to those who make generous contributions, monetarily or otherwise. While, recognition may take many forms, the purpose of this policy is to establish guidelines and approval in the naming of facilities and programs for donor recognition. Facilities applies to buildings, rooms, courts, open spaces, and any/all other areas or property owned or controlled by the College.
