Attendance Procedure

Curriculum

Beaufort County Community College adheres to the philosophy that regular attendance and/or participation in courses is essential to receiving maximum benefit from the educational experience. Therefore, instructors are required to take attendance through the entirety of the courses they are teaching. Instructors must record student attendance in Web Attendance. Instructors are required to have all class attendance updated in Web Attendance by the close of business (4:00 p.m.) every Friday.

Attendance for courses with a physical meeting time and place is constituted by one of the following:

- Submitting an academic assignment
- Taking an exam, interactive tutorial, or computer-assisted instruction
- Attending a study group that is assigned by the institution
- Participating in an online discussion about academic matters
- Initiating contact with faculty members to ask a question about the academic subject studied in the course

Attendance for online courses is constituted by active participation in one of the following:

- Interactive tutorial in which the student must participate to receive an attendance mark
- Video with required completion of at least one question after viewing
- Discussion board/interaction with other students in class

- Required reading with completion of at least one question after the reading
- Journal entry based on material covered or read

Continuing Education

Instructors are required to take attendance for all meeting dates of the course. A student is considered absent if that student did not attend during the specified times or days the class was scheduled to meet. Students who do not attend one or more classes prior to or on the census date of the class may be dropped from the class.

Absences may be considered legitimate and eligible for makeup at the discretion of the instructor. The student is responsible for seeing the instructor, providing the reason and

relevant documentation of the absence, and requesting a make-up date and/or make-up assignment.

An instructor may refuse admission to class to any student who arrives more than ten minutes late to a class. A student who leaves class early may be counted absent for that date.

Some classes may have more restrictive attendance procedures which will be noted in the class syllabus. Attendance procedures described in syllabi will be the official procedures for that class. Continuing education certification classes governed by a state or federal accrediting agency may have attendance procedures that supersede the College's procedures.

Attendance for online students is calculated according to required assignments and a specified level of contact as determined by the instructor. Online students have a valid entry to an online class through a written assignment submitted prior to the census date.
