

Procedure 3.0912

Graduation Requirements Procedure

Students must apply for graduation one semester prior to the semester in which they expect to complete their work. Application must be made through the Registrar's Office.

In order to be eligible for graduation, a student must complete all prescribed courses for the curriculum. Students must have a minimum cumulative grade point average (GPA) of 2.00. Grade point averages are calculated by dividing the total number of grade points earned by the total number of credit hours attempted. Courses used in this calculation are those completed at Beaufort County Community College that are listed in the student's curriculum outline as minimum requirements and additional courses/substitutions approved by the appropriate lead instructor, Dean, and Vice President of Academics.

Students must complete a minimum of 25 percent of hours required for a degree, diploma, or certificate in residence at Beaufort County Community College.

In order to graduate, each student must fulfill all financial obligations to the College, including graduation fees. Graduation fees must be paid prior to graduation.
