Usage of Standard English Procedure

BCCC places value in recognizing and preserving communication styles that reflect the unique heritage of the people in this region, state, and nation. In the competitive job market, however, business and industry have repeatedly stressed the fact that Standard English will be required in communications. Because the primary mission of the College is to prepare students for careers and career changes, it is imperative that the use of Standard English be required in each of its programs. The Standard English that is taught in English classes must be reinforced in all courses taught throughout the institution.
