Inclement Weather Policy

In case of inclement weather, the president or authorized representative may close, delay operations, or abbreviate operations on campus or other sites. Announcement of College or campus closings, delayed starting times, early dismissals, etc. will be announced on local radio and television stations, the [College website](#), social media, text messaging, and College phone system (252.946.6194). In the absence of such an announcement, the College will operate as usual.

In situations involving inclement weather, natural disasters, or other events that result in the cancellation of curriculum or continuing education classes, the College will implement a plan for rescheduling, making-up or adjusting instruction.

An announcement concerning the cancellation of night classes will be made in a timely manner. Cancellation of day classes will not mean that night classes are also canceled. A separate cancellation announcement will be made unless the early morning announcement specifically states that night classes are canceled. In the absence of a cancellation announcement, night classes will be held as scheduled.
