

Procedure 9.0307

Personal Devices Procedure

College employees, students, and library patrons are allowed to bring their personal laptop computers to campus and access the College's wireless network. All users of the wireless network will be required to login using a campus provided user name and password. All users of the wireless network must adhere to the College's acceptable Internet use policy. The College is not liable nor will address for any issues on a personal device arising from accessing the College wireless network.
