Hunter Safety (12 years old and up)

Thanks to the NC Wildlife Resources Commission and Officer Trent Parrish for offering this course on our campus. We are pleased to help young hunters learn to be safe and responsible. During the day Officer Parrish will explain firearm safety, hunting ethics, conservation and wildlife management, wildlife identification, survival and first aid, specialty hunting, and tree stand safety. Completers will be eligible to purchase their first hunting license. Lunch hour is 12:00 PM to 1:00 PM. Students are welcome to bring their favorite grown-up to participate also. While this class is free, registration is required.

Drone Camp (rising 6th, 7th, and 8th grades)

Learn to fly a drone! You will be issued a drone kit and learn about the parts of a drone and how to safely handle it. You will learn about aviation history, and how hot air balloons, fixed wing airplanes and drones fly. And finally, you will fly a drone using a Smartphone as the remote controller and learn how to code the drone to fly by itself. We will spend four days on BCCC's campus, and we'll use the auditorium for drone flying inside, and weather permitting, we will also fly outside. On Friday we will take a field trip to Inner Banks STEM Center in Washington, NC. There we will experience flying both a Desktop Flight Training Device and a full motion airplane flight simulator, and other cool activities. This class is made possible by the Inner Banks Stem Center. [Register & pay online.](#)

Manners for Ms. & Mr. (rising 6th, 7th, and 8th grades)

Good manners serve to make life more agreeable for everyone. Here is an opportunity to learn the graciousness that helps every situation in life. We will talk about social situations, business etiquette, online behavior, party etiquette, grooming, and appropriate dress. A polite thank you to Shannon Reising of Le Moulin Rouge de Danse for leading this class. During the first three meetings our class will plan a party, and on the last evening each student may invite two guests to join us for dinner. R.s.v.p. [Register & pay online.](#)

NEW CHEFS, NEW FLAVORS YOUTH PROGRAM

Aspiring chefs have an opportunity to learn safe kitchen skills while creating delicious food. We will focus on techniques and recipes that can be made at home to the delight of the whole family. Participants will help prepare all the food in our Frances Morgan Roberson Culinary Lab, and we will make enough to serve those good folks who come to drive the students home. All supplies are included, and participants will enjoy exploring new foods and flavors.

Kitchen Camp (rising 4th grade to rising and up)

Our first four-day cooking camp includes baking, healthy snack making, and plenty of delicious food for kids. Everyday we will bake one item for all to enjoy and we will make two other dishes for snacking and meal prep. Things like chocolate chip cookies, crudités with homemade ranch dressing, wacky cake, fruit and cheese charcuterie board, Anita's favorite apricot dip and ginger snaps, and grilled cheese sandwiches are on the menu. Our last day will be devoted entirely to chocolate! [Register & pay online.](#)
