Truck Driver Training Program

The Truck Driver Training program at BCCC is offered through the Division of Continuing Education. This course is a combination of classroom and off-road track instruction as well as over-the-road driving practice with an instructor. Classes are designed to prepare students taking the mandatory tests to obtain a Class – A Commercial Driver’s License. The HRD/CRC component allows students to preview job openings and prepare to apply for these positions. Students will also work toward earning a Career Readiness Certificate - which is nationally recognized and enhances job related qualifications.

Students learn the steps of pre-trip inspection in preparation for their DMV exam.
