

Campus Regulations

Cell Phones, iPods, Bluetooth Headsets, etc

All personal electronic devices (cell phones, iPods, Bluetooth headsets, etc.) must be turned off and put away during class. If there is a compelling reason why you must have access to your cell phone or other device during class, you must obtain prior permission from the instructor. Students who disregard this policy may be asked to leave the classroom, and continued abuse of this policy may lead to being dropped from the class.
