

Rapid Deployment for Emergency Services

Date: June 22, 2019

Time: 8:00am-5:00pm

Location: MC 10B-102

This 8 hour/credit course will provide the experienced criminal justice professional, emergency medical professional, and fire services professional with the basic response concepts in a rapid deployment response to an active shooter incident. This class will employ lecture, a table top exercise and discussions, culminating in a practical exercise involving team deployments, in place triage, personnel evacuations, incident command and situational debriefing.

NOTE: Class will start Saturday at 8:00am.
