Curriculum Foundation Scholarship Award Procedure

Foundation scholarships will be awarded by committee per the guidelines as established by the Foundation Office and per the donor's directive.

Foundation scholarships are divided equally into the Fall and Spring semesters when applicable. Summer scholarships will be awarded pending availability of resources and the executive director's discretion.

Foundation scholarships must be used for students enrolled at BCCC.

Foundation scholarships require maintaining a GPA of 2.0 or greater.

Students may not receive scholarships that exceed the cost of tuition, fees, and books unless in accordance with the donor's directive.

Scholarship awards are reviewed and recalculated after classes start and again before financial payout dates. Unused scholarships may be awarded to other qualified students. Scholarships must be used in the bookstore during the open financial aid window. Scholarships that are not used during the open financial aid window will be removed from the student's account.

After the drop/add dates, adjustments may be made to the scholarship amount unless inconsistent with a donor's directive.

Scholarship(s) will be rescinded in their entirety if a student falsifies information on their application.
